Anyone attracted to modernist architecture will enjoy the work of Paul Davies, who layers stencilled backgrounds in lime greens, aqua, pinks and oranges to highlight mid-century buildings set against big, black, starry skies. Davies says Peter Doig and David Hockney are among his inspirations. *Stars over Nest and Fence* is pictured below. *Until March 11. Tuesday-Saturday, 10am-5pm, Sunday, noon-5pm, Tim Olsen Gallery, 63 Jersey Road, Woollahra, 9327 3922.*
